On March 15, 2023, the New Mexico State Ethic Commission's general counsel determined in a set of written findings that a complaint filed by Tim Eichenberg against Laura Montoya is supported by probable cause. Following that finding of probable cause, the case was set for a public hearing. The case has been assigned to the Honorable Alan C. Torgerson (Ret.) who will hold the public hearing and determine whether a preponderance of the evidence establishes a violation of the Campaign Reporting Act, as identified in the general counsel's findings.
